

Tri-County Career Center Plan for Effectiveness of Student Personnel Services

To provide effective student personnel services to all students

Tri-County Career Center plans to provide the following services to students:

Testing

Placement

Financial

Tutoring

Orientation

Media Services

Technology Support

Health Services

The services are offered to students prior to attending, during and after attendance in one of our programs.

Evaluated: Annually evaluation of data and distributed to staff with results to improve the student personnel services.

Survey is conducted at the end of the student's program.

For more information about any of the services please see the Student Services Coordinator.
